	12/17 NO CHORUS		

Chorus members are expected to attend every rehearsal and performance. My rule of thumb is that if your singer is well enough to attend school, they are well enough to attend rehearsal, even if he/she is simply following along in the music while resting his/her voice. If a student cannot attend a rehearsal, an email from a parent/guardian is required.

Please make chorus rehearsals and performances a priority.

More detailed information regarding concerts will be sent home shortly before each performance.

“Winter/Spring 2020 Rehearsal Calendar” will be sent home before the Winter Chorus Invitational Concert.
